Beautiful Home at 1615 Kirkwood Dr., Murray, KY 42071

A Must See –
Make It Yours!

Move in ready – Beautiful
and newly remodeled!

Open concept kitchen, dining room, living room to den; all new flooring in every room: wood floor living room, den, kitchen, hallway, and utility, new carpet in all 3 bedrooms, and new tile in one bathroom; updated kitchen; updated bathrooms; new drywall in kitchen and den; new light fixtures throughout; new or refurbished plumbing fixtures throughout; new / updated landscape; updated kitchen and bath receptacle to code; all new interior doors and door knobs inside and out, refurbished kitchen cabinets (new doors & drawers), refurbished bathroom vanities, refurbished utility cabinets; all new paint throughout c/o Jim Day Painting; all new sump pump w/plastic under house installed c/o Servall to breaker box by Hill Electric. The roof, HVAC and deck were replaced within the last 7 years. Very economic dual fuel Heat system (Heat Pump and Gas).
